ADVOCACY • EDUCATION • SERVICES

**Healthy families. Healthy community.
Better lives by working together.**

The mission of Community Health Foundation is to preserve reproductive services, to promote health and wellness and to advocate for quality healthcare through grant making and education.

**Our vision: all members of our community are well
and live in a safe environment.**

The Clark County Combined Health District provides public health services for the citizens of Springfield and Clark County. The Mission of the Clark County Combined Health District is to protect and improve the health of the community through promotion of wellness, prevention of injury and prevention of disease.
